

Q&A with KVD!

Due to the overwhelming response, KVD is back. Yes, Kevin Van Dam, the greatest angler in the world, is back for another exclusive closed door angler's workshop. You've been to his seminars, seen him on television and followed his tournament career – now's the chance to ask Kevin VanDam that question you've always wondered about - a special technique, a hot tip or his ideas on how to further your fishing career. The [Ultimate Fishing Show – Detroit](#) has made special arrangements to hold a private seminar for show guests on **Thursday, January 10th** at the Suburban Collection Showplace in Novi. This event, hosted by Stopper Lures and NBAA, isn't a typical seminar – KVD will be answering your questions, submitted via this form. You get to choose what Kevin talks about, but you must register. In addition to the Q&A, there will be free prize drawings for all attendees. Seating is limited.

Please print and fill out this form. Take it to the Stopper/NBAA booth, by the Hawg Trough, to pick up your FREE ticket. The seminar is **FREE** to guests of the Ultimate Fishing Show. Tickets to the Ultimate Fishing Show can be purchased online at Ultimate Fishing Show Detroit or purchased the day of the event at the Suburban Collection Showplace box office.
