Conquer Childhood Cancers

What is the St. Baldrick's Foundation?

The St. Baldrick's Foundation is a volunteer and donor powered charity committed to supporting the most promising research to find cures for childhood cancers and give survivors long and healthy lives.

St. Baldrick's Foundation is NOT

- ✗ Hair Donation
 - ✗ *Shaving your head at this event is to stand in solidarity with children receiving chemotherapy*
- ✗ Making ANYONE shave to participate
 - ✗ *There are plenty of ways that you can contribute without shaving your head*

What does the St. Baldrick's Foundation do?

The St. Baldrick's Foundation funds the most promising cancer research just for kids. St. Baldrick's is the top private funder of childhood cancer research grants in the U.S. and around the world.

Each year, thousands of volunteers worldwide organize fundraisers, such as our signature **head-shaving events**, to raise money to support life-saving childhood cancer research.

Where does the money go?

Since 2005, St. Baldrick's has awarded more than \$238 million to support life-saving research, making the St. Baldrick's Foundation the largest private funder of childhood cancer research grants.

St. Baldrick's funds are granted to some of the most brilliant childhood cancer research experts in the world – including the first Pediatric Cancer Dream Team – and to younger professionals who will be the experts of tomorrow.

What percentage of my money goes to research?

Of every dollar raised:

- ✗ 72% funds research to find a cure
- ✗ 25% goes to fundraising (website, phones, postage, printing, t-shirts, office space, staff, etc.)
- ✗ 3% goes to administration (accounting, distributing and monitoring grants, etc.)

Every two minutes a child is diagnosed with cancer – about the time needed to log onto your laptop, order a coffee, or get through a TV commercial break.
